TECHNOLOGY PARTNERS

WHAT DRIVES US

“‘IT is About You’ reflects in Cygnet’s approach to every customer engagement. We have been delivering value and sustainability to ever changing business environment with emerging technology trends and business engagement models.’”

OUR VISION

To Passionately Empower Lives Globally with Technology-Enabled Business Solutions

OUR MISSION

To excite our clients and their customers by delivering beyond their expectations by walking the extra mile so that they achieve their business goals

Our Values

Speed

Speed is the essence of our business. We deliver with pace, ensuring a level of responsiveness to our customers, stakeholders, and teammates that meets or exceeds expectations. We break through barriers to meet our goal of delivering on time, every time.

Integrity

Our relationships are built on trust, honesty, dependability, and transparency. We stay true to our word and deliver what we commit. We follow the highest ethical and moral standards and take responsibility for our actions.

Entrepreneurial Spirit

We foster an entrepreneurial spirit that values passion, innovation, and calculated risk-taking. We embrace change as a necessary part of driving growth, and approach each challenge with creativity, courage, collaboration, and a “can-do” attitude.

Team Work

We enjoy a collaborative and cohesive work environment that fosters open communication, learning & sharing of information and ideas. We promote close cooperation across business functions, and strive to be a business partner that is flexible and easy to work with.

Mutual Respect

We care for our people, communities, and customers, and conduct all dealings in a manner that reflects fairness and diversity. We behave in a professional, courteous manner and show respect and dignity for the individual at all times. We respect the time and efforts of others.

Trusteeship

We value the trust placed in us by our stakeholders towards the quality of our professional deliverables, information security, data protection, privacy policies, and corporate governance standards. We endeavor to exceed the expectations of our stakeholders in all that we do.
